## PROJECT FUNWAY'S GOALS & VALUES

### 1 RAISING FUNDS FOR OUR CRITICAL MISSION

Education Foundation of Eagle County is committed to supporting public education and the intellectual and emotional needs of students, especially focusing on in-school programs for enrichment, mental health support, and efforts to attract and retain top teacher talent.

### 2 CREATIVE FUN

Project FUNway aims high to be a fun, joyful, and engaging experience for everyone, while encouraging creativity and out-of-the-box thinking.

### 3 COMMUNITY ENGAGEMENT

As a bonus, Project Funway stitches our community together (*no fabric needed*), through generosity, kindness, respect, energetic entertainment, and the inspiration of bold, innovative, and revolutionary ideas!

## JUDGING CRITERIA

Here's a helpful guide to Project Funway's judging criteria in order of importance.

### 1 UNCONVENTIONAL

Most important is the unique and creative use and transformation of unconventional materials. The less the material looks like its previous form, the better. The least fabric-like the materials, the better.

### 2 CREATIVITY

Creative use of unexpected materials is valued.

### 3 CRAFTSMANSHIP

The more well-crafted the garment, the better. Unique crafting, attachment, and a garment that holds together throughout the show are valued.

### 4 PRESENTATION

Extra points for a garment, props, accessories, makeup and music that work well together, and a well-executed runway presentation with confidence and character.
